Guarantees Quality Of Manufacture

This is Zwiesel, a spa town
in the Bavarian National Forest Park

Just to the right of this picture is the
Schott **ZWIESEL** factory

Schott ZWIESEL successfully manufactures in an area of outstanding natural
beauty by observing strict environmental standards

For example

We make our own fuel - pure Oxygen

Water leaving the factory is cleaner than ground water entering the factory
& unlike ordinary crystal, TRITAN® Titanium crystal contains no
harmful Lead or Barium
